Financial Information:

We at the Range Animal Hospital believe it is our job to excel at the practice of medicine! We make that our primary and our sole effort. In that regard, we will not take on the responsibility of financing our clients veterinary care, but we do try to make it as easy as possible.

We require the down payment of our initial exam, \$125.00, on arrival. We will provide a written estimate for services if asked. Estimates are especially important in the case of multi trauma. The estimates in this book are seldom exceeded, but complications and unforeseen circumstances do occur. We will keep everyone up to speed if this happens.

We require payment in full at the release of the animal. We do not make exceptions.

We accept payment by: check, money order, VISA, MasterCard, Discover Card, & Pay Pal.
